Village house 600 S Beaucaire

Discover this magnificent mansion located in the heart of Beaucaire, offering a space of 525 m² with multiple possibilities. This exceptional property can be transformed into a residence of character, equipped with an interior courtyard, two sunny terraces, two garages and cellars, in the authentic charm of 18th century residences. Alternatively, it offers the possibility of creating up to five distinct lots, thus offering a remarkable investment opportunity, potentially eligible for the Malraux scheme or the land deficit. As you pass through the majestic front door, you will discover a picturesque interior courtyard, providing access to the vaulted rooms on the ground floor, garages and hidden cellars. The architecture of the building reveals a heritage steeped in history, with its old preserved elements: period fireplaces, stone floors and walls, exposed beams and French ceilings, adding a touch of authenticity and character to each space....
