House 630 Saint-Rémy-de-Provence

Just 600 meters from the heart of Saint-Rémy-de-Provence, this 1960s house will charm you with its charm and unobstructed views of the Alpilles. Built on a 757 m² plot, it offers great development potential and excellent southern exposure. The house is organized on two levels: On the ground floor, a large garage of nearly 100 m² offers numerous possibilities for use (parking, workshop, or future development project). Access to the main accommodation is either via an external staircase or from an entrance on the garden level served by an internal staircase. Upstairs, you'll discover approximately 120 m² of living space, including a large, bright 52 m² living room, a separate kitchen, two bedrooms, and a bathroom. Each room benefits from beautiful natural light and breathtaking views of the Alpilles. Good to know: The structure of the house rests on a load-bearing slab, allowing the lower level to be used to create, for example, independent...
